PROFILE

Aspiring engineer aiming to apply technical skills and passion for innovation in real-world projects. Seeking to gain practical experience, contribute to organizational growth, and build a strong career in the tech industry.

WORK EXPERIENCE

Assistant EDITOR

SOFTA Club WCE, Sangli Sep 2024 - Present

Edited content for SOFTA Club WCE. Part-time role from September 2024. Responsible for reviewing and refining materials. Worked on CANVA, Poster Creation, Video Editing, Presentations.

CERTIFICATION

Course On Computer Concepts

Sep 2022 - Oct 2022

National Institute of Electronics & Information Technology, Virtual

I completed the Course on Computer Concepts from the NIELIT (New Delhi) in October 2022. This certificate enhanced my foundational computer skills, complementing my education and opening doors to a range of digital literacy applications, thereby fueling my professional development in the tech landscape.
